SKILLS

Languages: Python, HTML5, CSS3, MySQL, PHP, JavaScript

Technologies: React, Node.js, Bootstrap

EXPERIENCE

1stop.ai   **Remote**

Data Scientist Intern   **Oct 2022 - Nov 2022**

• Enhanced user security by developing email spam detectors to protect devices, especially when handling sensitive information.

Workshop   **Chennai**

NPTEL - Computational Social Science   **Aug 2022 - Aug 2022**

• Contributed to an IT workshop, mastering AI, blockchain, and IoT trends.

Sirius Technology Empowerment Program   **Chennai**

Web Development with React   **Jul 2022 - Jul 2022**

• Implemented a highly interactive 3-day workshop, equipping participants with the necessary tools and knowledge to create responsive webpages, leading to increased competency and proficiency in web development.

PROJECTS

Document Management System   **Oct 2023 - Jan 2024**

Tech Stack - HTML5, CSS3, Bootstrap, MySQL, PHP

• Developed a comprehensive full-stack solution enabling secure file sharing through a user-friendly web interface.

• Monitored administrative capabilities, empowering complete control over file management, user additions and removals, and access to user login details within the system.

• Ensure smooth admin-user interaction with the database through efficient PHP connections, optimizing data retrieval and manipulation.

Restaurant Webpage   **Nov 2023 - Dec 2023**

Tech Stack - HTML5, CSS3, JavaScript

• Crafted a responsive webpage for users to easily explore dishes, reserve tables, and place orders.

• Integrated trending designs for an elevated user experience.

Spam Mail Detector   **Sep 2022 - Oct 2022**

Tech Stack - Python

• Uploaded a CSV file into the data frame, systematically parsing and categorizing data into distinct texts and labels.

• Applied Logistic Regression to predict accuracy while training and testing user data.

EDUCATION

St. Joseph's College of Engineering   **Chennai**

Bachelor's degree in Information Technology   **Aug 2020 - May 2024(Expected)**

(B.Tech) | CGPA - 8.3

St. Paul's Matriculation Higher Secondary School   **Neyveli**

State Board of Education | Class XII - 67%   **May 2020**

St. Paul's Matriculation Higher Secondary School   **Neyveli**

State Board of Education | Class X - 95.4%   **May 2018**

ACCOMPLISHMENTS

• Attained 79 percentile in JEE Main.

• Achieved BEC Vantage (B1) Certification.
